**We are not from the area and are not sure which catering, hire, accommodation businesses to use.**

Don't panic we can help you with this. We can recommend local suppliers who are familiar with the Events Centre. Call us on 06 379 4081 to discuss.

**What items do we need to hire and what would be available already at the centre?**

We have the majority of equipment you will need - including tables, chairs, plates & cutlery and more. Give us a call today to find out what would be available for your proposed dates.

Yes, you will need to get a special license if you wish to have alcohol. We can give advice on how to go about this.

**We would like to set the room up the day before and/or pack-up the day after, can we do this?**

We understand it takes time setting up to get things looking magnificent so we have a few different options to allow you to have access to the facilities before the day to take the pressure off.
